MINEHEAD
MONDAY 14 – GOOD FRIDAY 18 APRIL 2025

(Most schools are on holiday during the two weeks before Easter, with Easter Sunday falling on 20 April.)

Malaga or Minehead? San Fran or Skegness?!
We know there are important decisions to be made about holidays. **So why should you plan a trip to Spring Harvest?** Some say it's their first choice because there really is something for everyone: kids, grandparents, uncles, aunties and youth groups – it's a place where all kinds of people find fun and get refreshed after the long winter months. More than that, many think of it as a pilgrimage – **an investment in the spiritual health of the whole family.**

We create opportunities for all ages to encounter God and be empowered for life with him. This happens through a varied programme of sessions designed for each age group, as well as loads to do together. We do it at Butlin's resorts, where there's a range of great accommodation, loads of leisure facilities and a beautiful sandy beach (ice-cream optional). There really is nothing else like it. We'd love you to join us and see for yourself.

We love Butlin's!

If the Spring Harvest programme isn't enough... included in your holiday is full access to Splash Waterworld with its pools and slides. There are also plenty of fairground rides for different ages, along with indoor soft play and the amazing new Skypark playgrounds. And we haven't even mentioned a whole host of extras you could choose to add, including restaurants, food courts, a pool hall, bowling, crazy golf and go-karts.

And so much more...

All kinds of people, but kids and young people especially, have the time of their lives at Spring Harvest. We hear so many stories of mountain-top moments and memories made that make a difference in lives and communities when you get home. It's so good to realise you are not alone in your faith.

"Before, I **knew** about God, but this week I **met** him!"

No Greater Story

We live in a world full of challenges, ever before us with non-stop media coverage. It's easy to feel overwhelmed amidst war, climate change and crises of finance and health. Even our own circumstances can feel too big for us to hold.

Isaiah in the Bible knew national and personal tragedy. Then he had a vision of God that was **GREATER** than he, or those around him, had yet grasped. His view of God, his readiness to embrace the story of God and his willingness to step into his part in that story, changed everything. His journey gives us a 'time traveller' view of the **GREATER** story of God: creation, fall, redemption and perfection. It's the greatest story ever told.

In 2025, we are seeking a fresh vision of who God is, so we can embrace the **GREATER** story he is working out for our world, and be ready and willing to play our part in it. Come and meet the Maker.

An event for everyone

An accessible holiday

We aim to make as much of the Spring Harvest programme as possible, as accessible as we can.

Programmes for kids, youth and young adults have areas where those with additional needs can find team members to support them in accessing the programme in a way that suits them.

Count Everyone In run some sessions for adults with learning disabilities on both resorts.

We have a Disability Consultant on each resort to help you find what you need. All venues offer hearing loops and wheelchair access, some also offer speech-to-text translation, BSL interpretation and sensory profiles. On request, we can also provide large print and braille resources.

The Everyone In Fund

We don't want affordability to be a barrier to experiencing a life-changing week at Spring Harvest. Those who qualify for Government benefits can apply for automatic discounts, and we can also offer more help to those that need it, until all the money is allocated.

We are usually able to help more than 600 people a year to attend with various amounts, thanks to the generosity of others. If you want to explore this via an online application, you will need a Church leader, a group organiser or someone willing to give you a reference. **We'd love to help.**

This fund also helps us livestream directly into prison cells and into people's homes, for all those who can't make it in person.

See **springharvest.org/events/prices** for details.

"Thank you for the subtitles on the screens...It made SUCH a difference."

"I have two complicated teenagers with autism and Spring Harvest is the only break they are both willing and able to attend. I really appreciate everything you do to make this possible."

"I went to Count Everyone In with my dad every day. He thought it was as good as the evening meetings at Studio 36."

Where else could you have a break like this?

Spring Harvest makes an impact on all kinds of people and in all kinds of ways – lives and communities change for the better.

Fraser, at the age of the nine, felt called by God at Spring Harvest Minehead to be a missionary and is today serving with Mission Aviation Fellowship overseas.

Kate is a Psychologist, Church Leader and a Director of the Mind and Soul Foundation. When she was fourteen and came to Spring Harvest with a friend's family, God spoke to her about her future.

Memories of these mountain-top moments sustain many for a lifetime of faith and following Jesus.

WHO WILL YOU BRING? WHO WILL YOU BRING?

Most people who come to Spring Harvest want to go deeper in their faith, but not everyone would consider themselves a Christian. You can bring family members, friends or your kids' friends, and know they'll have a good time, too. We offer sessions from Alpha for those who are curious to know more about following Jesus. **Who will you bring?**

What our guests say...

"I have been in ministry now for over 20 years and I feel as though this was the first time I heard and saw an approach which was encouraging, challenging, but not just the stars who have shiny ministries to sell, but people doing local church encouraging others to be local and keep doing what they do."

"I don't actually remember ever feeling as at peace as I have the last few days."

"Spring Harvest set us up to be able to cope with some tough life changes."

"I really enjoyed going swimming and racing with my friends. The story about Jesus choosing different people to be his disciples taught me that we are all children of God and he loves us equally."

"We came away feeling spiritually fed, challenged and encouraged."
