<b>8 Declaration</b>			
I give permission for my child to be taken on short outings on resort or to the beach. I understand this may include Butlins' rides or other play area facilities (under proper supervision). I declare that I am the person with parental responsibility for the child named in this form. I understand the information on this form will be used by Spring Harvest staff to help fulfil their roles in looking after this child whilst in their care. I further declare that Spring Harvest staff are allowed to hand over the named child to the holder of the Child Collection Ticket, or to either of the persons named in this form as having parental responsibility (on production of proof of identity or for the programme the password) if the Child Collection Ticket cannot be produced. If there is any doubt whatsoever, even on the production of the Ticket as to the authority of any person attending to collect the child, then Spring Harvest are authorised to retain the child in their care until they are satisfied as to the authority of the person so attending. I am aware that video clips may be used during the programme up to and including a PG certificate, and that photographs and video clips may be taken for use within the venue for staff training purposes and for Spring Harvest promotional material. In the unlikely event of an accident I give my permission for any necessary medical advice or treatment to be given by the nominated first aider. In an emergency and if I am not contactable, I am willing for my son/daughter to receive hospital treatment including an anaesthetic (I understand that Spring Harvest will always try to contact me in the first instance).
