PRESS RELEASE – IMMEDIATE RELEASE – 1 NOVEMBER 2007

Bring your breakie with you! – more Self-Catering available for Spring Harvest 08

Spring Harvest still has accommodation available for all 6 Weeks of the Main Event 2008 which takes place at Butlins Skegness and Minehead next March and April.

Self-catering apartments and caravans, and half board rooms are available at every Week, covering all UK schools' Easter holidays. Standard, Silver and Gold accommodation grades are all available for a range of group sizes.

Spring Harvest 2008 sees the conclusion to a three year theme entitled **The Big Story** as Guests are presented with a teaching programme along the theme of **One Hope**. Speakers will focus upon how central Hope is to the Christian faith and how from creation to the cross, Hope has always been God's Big Idea.

New for 2008 is **Worship Masterclass**; a special stream running alongside the main programme during Skegness Week 2 for anyone interested in learning more about worship. There will also be a **BSL Deaf stream** during Minehead Week 2 with deaf speakers.

Spring Harvest caters for everyone by offering a diverse and fully packed programme. Adults will enjoy powerful times of worship, thought provoking speakers and have the option of several seminar streams, debates and workshops. Children and young people will experience tailor made programmes led by experienced youth and children's teams.

All Butlins leisure facilities are open to Spring Harvest Guests, as well as sports tournaments and various skills workshops which are organised by the Spring Harvest team.
