UPSIDE DOWN KINGDOM

MALCOLM

## Questions for discussion or reflection Session 3

Have you encountered the upside Kingdom this week? Share in your group

Do you experience the world revolving around Jesus, or, more than often do you find it revolving around you or others? How can you change this?

How do you feel about the Coronation of King Charles III knowing that we have a King above Him?

What do you think about the parallels of Jesus' & Moses' ministries? Had you noticed this before?
