AN ENGAGING THEOLOGIAN WILL HELP US ACCESS AND LEARN FROM THE BIBLE DURING THE MORNING BIBLE TEACHING.

After the morning break we can choose from three zones, each digging more into the theme and applying it to our lives. Alternatively specialist sessions run on parenting or church leadership. Also an option is the Prospects special stream.

Don’t forget the morning is home to Just Looking. This is a relaxed setting with scope for easy conversations for those exploring faith.

The way we parent can really be a game changer. These three practical (and fun!) sessions will give you some ‘Winning Moves’ in the all-important task of bringing up the next generation.

DAY 2 | GIVING OUR KIDS A FLYING START
Our children look to us to meet their need for love and security. Discover the power of words and why traditions, memories – and laughter - help give a child a firm foundation and build up their sense of worth and acceptance.

DAY 3 | SETTING BOUNDARIES & CHOOSING BATTLES
Children’s behaviour can be a difficult battleground for parents. We’ll be looking at different styles of parenting, and passing on some winning moves in setting and defending boundaries - and choosing which battles to fight.

DAY 4 | PASSING ON FAITH AND VALUES
Examine the responsibility of sowing seeds of faith in our children’s lives, and tips on how to navigate the pressures of the teenage years, encouraging them into independence - and keeping the relationship strong wherever they are with their own faith.
